Dear Saints:

We seize this moment to express our profound thanks to you church leaders and members for your overwhelming support in our recently concluded pathfinder camporee. We believe that a lasting impact was made in the lives of our youth, as they were challenged to move with a purpose.

I write also, concerning the relaunch of our Christian Sports League, commencing April 21st 9am, at Progress Park, this time with cricket. We pray that all our churches and youth societies will catch the vision and see the far-reaching impact of sports evangelism. In the first leg of the CSL many young persons from our communities were moved and introduced to a better way of living. We solicit your prayers and support in making this initiative a resounding success. All are invited. Please take note of the additional information which can be shared outside of the Sabbath hours.

In addition, please take early notice that the Youth Department is in the process of planning a Summer Camp in Carriacou during the Carnival weekend. More details will be forthcoming.

We take this moment to encourage our youth with these words from the book Education, "Higher than the highest human thought can reach is God's ideal for His children. Godliness—godlikeness—is the goal to be reached. Before the students there is opened a path of continual progress. They have an object to achieve, a standard to attain, that includes everything good, and pure, and noble."

Yours in the Faith,

for
