Greetings Brethren,

On behalf of the Adventist Development and Relief Agency (**ADRA**) and the Community Services Department, we express sincere appreciation to the East Caribbean Conference (**ECC**) Team that assisted with the repairing of roofs and houses in Carriacou during the period **October 29<sup>th</sup> to November 12<sup>th</sup>, 2024**. They have left our shores fulfilled after accomplishing much. To God be the glory.

Deepest appreciation is also extended to our locally skilled men and laborers who sacrificially assisted in the repair of roofs and part construction of houses during the week of **12<sup>th</sup> November to November 20<sup>th</sup>**. We personally acknowledge the following hard-working local team members:

- **Anthony Strode**
- **Matthew “Harry” Joseph**
- **Kerabie Belfon**
- **Rondel Isaac**
- **Gabriel “Sio” Roberts**
- **Anthony Ledlow**
- **Jesson Hannibal**

The appeal still goes out for more skilled men and laborers to come on board in the rebuilding process. There is a lot more work to be done. There are persons with materials who need the assistance of manpower to have their roofs covered and to do other construction work.

Kindly contact your local pastor or Community Services Director Pastor Jerome Gordon.

Thank you in advance for your anticipated positive response.

Yours in Christ,

**Pastor Edward Guillaume**  
**ADRA Director**
