**Re: Charles Memorial Home**

Dear Brethren,

Christian greetings to you and blessings from our good Lord and Saviour Jesus Christ. We are indeed grateful to God for the outstanding work of the Charles Memorial Home in the area of geriatric care and spiritual support to the senior citizens under its care.

Unfortunately, as Latin America and the Caribbean reel from the inexorable shocks of post-COVID inflation, all our ministries and institutions are battling and navigating the challenges to ensure continuity of their work and mission, but God has been faithful. Nevertheless, we must do what we can on our level while we depend on the gracious provisions of His mighty hand.

**On Sunday December 29<sup>th</sup> at 5pm**, there will be a massive fundraising concert at the SDA Comprehensive school in Mt Rose, proceeds in aid of the Charles Memorial Home; we are therefore asking that you come out in great numbers and give support to this concert. There will be sweet soul-stirring songs of salvation, with incredibly gifted singers and performers, it will be an unforgettable event, please begin to plan for it, and bring the entire family. See you there by God's grace.

Yours in the Master's Service

Jerome Gordon (Pastor)
