TO BE READ IN THE CHURCH

(WEEKLY UNTIL EVENTS ARE PASSED)

Dear Brethren:

Grace, mercy and peace from God the Father and Jesus our wonderful Redeemer Who has given us the fellowship and communion of the Holy Spirit.

The entire membership of the Grenada conference is planning and preparing for the remarkable, unforgettable and soul-stirring experience of the **Festival of the Laity May 30th, 2026**. Come and see all 12 pastoral districts in action. It will shake the foundations of Adventism with Powerful preaching, heavenly singing, and fabulous fantastic reporting as the Holy Ghost falls upon the gathering.

Please plan to be present and on time, uniformed radio-linking sentinels from the Youth Department along with the police will assist with movements and precise vehicular arrangement and parking. Moreover, trained medical personnel will be on duty with a reliable ambulance service. It will give the joyful experience like the ancient feast of Tabernacles with overflowing joy.

Remember to walk with your lunch and water and plan not to miss a single moment of this heavenly experience.

Pastors and Elders please remember to send the 3 or 4 names of outstanding lay workers from the respective districts to be recognized and awarded that day. It will be a never-to –be- forgotten day of inspiration, motivation, gospel proclamation and Praise.

Yours in the Masters service.
