To Be Read To The Church

Dear Friends:

Sunny, Sabbath greetings, family of God. Indeed, we are living, we are dwelling in a grand and awful time.

From the desk of the youth department, we pause to say thanks for your overwhelming support and increased participation in this year's beach picnic. Indeed, as a church, our social life plays a crucial role in membership conservation and strengthening our internal relationships.

From August 16th to September 5th, we would be hosting our Youth Evangelistic Empowerment Series (Y.E.E.S.) at Maran Playing Field. This would be in partnership with the South Western, Western 1 and Western 2 districts. We solicit your prayers for a great, lasting spiritual awakening and revival, especially among our youth.

This Sunday, June 7th, we continue with sports Evangelism in another round of basketball and netball games starting 5pm at the Grand Anse hard court. Come and support this initiative.

Lastly, our national Adventurer Camporee is slated for July 3rd to July 6th at our own campsite. We anticipate a great experience with our little people.

Our young people will soon be seated in the driver's seat. Let us pour into them all they would need to be the leaders of tomorrow.

Yours in Service,

for: D Charles
